ABOUT US

The **International Conference for Women in Innovation, Technology and Entrepreneurship (ICWITE)** is a global forum that brings together women leaders, researchers, entrepreneurs, and industry professionals to exchange ideas and showcase innovations addressing global challenges. It serves as a platform where academia, industry, and start-ups explore emerging technologies and their societal impact. With emphasis on **sustainability, inclusivity** and **responsible innovation**, ICWITE inspires women to drive change, foster entrepreneurship, and create solutions for a better future. The third edition of ICWITE will be held in **Bangalore, India** on **26th and 27th September 2025**, continuing its mission of empowering women to shape technology and society.
