## Department of Artificial Intelligence and Machine Learning Report on CHAKRANOVA 2025

Title of the Program	
IEEE Day Celebrations - Chakranova 2025	
Venue	
BGSCET Auditorium	
Date & Time	
14 <sup>th</sup> and 15 <sup>th</sup> October 2025	
Participants(attach attendance sheet)	
Faculty- 6	Students- 400
Resource Person	
NA	
Convenor/ Coordinators	
Dr. Madhura Gangaiah, Professor, Dept. of AI&ML	
Session Details	
<p><b>CHAKRANOVA</b> was a multi-round technical innovation challenge designed to evaluate participants' creativity, analytical skills, and technical problem-solving capabilities. The event focused on core domains of <b>Computer Science and Engineering</b> such as Artificial Intelligence, Machine Learning, IoT, Cloud Computing, and Cybersecurity.</p> <p>Students participated in multiple rounds that tested ideation, reasoning, teamwork, and presentation under time-bound conditions.</p> <p><b>Round 1: Technowhiz (Quiz - Elimination Round)</b> <b>Mode:</b> Team <b>Duration:</b> 2 Hours</p>	

**Format:** Objective-type quiz (MCQs) covering Computer Science fundamentals, emerging technologies, and general tech awareness, geography, general knowledge, sports, etc.

**Purpose:** To shortlist participants based on their technical knowledge and conceptual clarity.

**Evaluation:** Automated scoring(Leader board was displayed) based on correct answers.

**Outcome:** Top scorers of about 50 teams advanced to Round 2.

### **Round 2: Brain Burst [Brainstorming Session - Elimination Round]**

**Mode:** Team

**Duration:** 1 Hour(For preparation) + 1 Hour(For judgment)

**Format:** The participants were given a 1 hour time slot to prepare a solution for any chosen problem statement related to the assigned themes. They were later given time for about 3 mins per team to present their solution to the judges.

**Theme:** Symbiosis of Mechanical and AI, Cybersecurity, and Revolution in Engineering.

**Rules:**

- Work must be **original and completed within the round**.
- **No pre-prepared materials** were allowed.
- Judges scored based on innovation, feasibility, and teamwork.

**Outcome:**

Top 30 teams advanced to **Round 3**.

### **Round 3: Idea Flip [Reverse Pitch - Elimination Round]**

**Mode:** Team

**Duration:** 1 Hour(For preparation) + 1 Hour(For judgment)

**Concept:** Participants argued **why a given technology or idea should *not* exist**, focusing on ethical, social, or environmental risks.

In this **Reverse Pitch**, our participants are stepping into the world of contrarian thinking

**Rules:**

- Each participant presented for **3–5 minutes**.
- Judges assessed argument strength, clarity, and relevance.

**Outcome:** Top 12 teams qualified for the **Final Round (Ideathon)**.

### **Round 4: Innovators's Arena [Business Pitch - Final Round]**

**Mode:** Team

**Duration:** 30 mins(For preparation) + 1 hr and 30 mins(For judgment)

**Concept:**

- Teams were required to **develop a business-oriented solution or product pitch** related to the given technological domain.
- They presented their idea as if proposing it to potential investors, focusing on innovation, feasibility, and market impact.

**Rules:**

- Teams designed and presented a solution within the given time.
- Each team presented for **3-5 minutes** before the judges.

**Outcome:**

Top 3 teams were recognized as winners for round 4 and after this based on the cumulative evaluation and

final round performance, the final winners were announced.

### **Outcome/ Takeaway**

#### **Event Highlights:**

- Over **400** students participated (about 80 teams), from all the departments of our college.
- Encouraged **critical thinking, ethical reasoning, and creative innovation**.
- Strengthened collaborative learning and communication skills.
- Judges appreciated the **diversity of ideas and technical maturity** among participants.

**Conclusion:**

**CHAKRANOVA** successfully provided a platform for students to showcase their technical expertise, innovation, and ethical reasoning.

The multi-stage structure helped identify students who could think critically, work collaboratively, and present impactful ideas.

The event concluded with prize distribution and appreciation for judges, coordinators, and volunteers who contributed to its success.
