

Department of Artificial Intelligence and Machine Learning

Report on Intellectual Property Rights (IPR)

Title of the Program
Lecture Series: Intellectual Property Rights (IPR)
Venue
Department of AI & ML Digital Classroom, BGSCET, Bengaluru
Date & Time
10 th & 11 th October 2025, 9:00 AM – 4:00 PM
Participants (attach attendance sheet)
Faculty- Dr. Jalaja G (HOD, AI & ML), Department Faculty Members Students- 66 (5rd Semester Students, AI & ML Department)
Resource Person
Mr. B Vivek Ananad Sagar (IP Attorney ALA Bangalore) Mr. Nagarjun M G (Patent Agent & Consultant Bangalore) Ms. Sahana S (Patent Agent & Consultant Bangalore) Ms. Priyanka (Patent & Trademark Agent Bangalore)
Convenor/ Coordinators
Dr. Ravikumar G K Dr. Raju G T Dr. Jalaja G Ms. Nishitha N Murthy
Session Details
<p>The Department of Artificial Intelligence and Machine Learning organized a Lecture talk on “<i>Intellectual Property Rights (IPR).</i>”</p> <p>The resource person explained the concept of IPR and its various types such as patents, copyrights, trademarks, and industrial designs. She emphasized how intellectual property plays a crucial role in encouraging innovation, safeguarding inventors’ rights, and promoting technological advancements in the field of Artificial Intelligence and Machine Learning.</p> <p>The session provided students with insights into:</p> <ul style="list-style-type: none">• Importance of IPR: Understanding how intellectual property supports research and innovation.• Patent Filing Process: Steps involved in applying for and securing a patent in India.• Research and Publication Ethics: The significance of originality and ethical practices in academic

work.

- **Career Opportunities:** Emerging roles in IP management, legal consulting, and technology transfer offices.

The lecture concluded with an **interactive Q&A session**, where students clarified their doubts regarding patent eligibility, copyright protection for software, and IPR policies in academic institutions.

Outcome/ Takeaway

- Students developed a clear understanding of **Intellectual Property Rights and their relevance** in today's research-driven world.
- They learned about the **procedures for patent filing** and protecting innovative ideas.
- The session encouraged students to focus on **ethical research practices** and originality.
- It motivated them to consider **IPR awareness** as a vital skill for academic and professional growth.
